## THANKS TO THE EDUCATION FOUNDATION

### Jake Phillips

A Bachelor of Agriculture student from Roseworthy College was awarded the Senior Champion Herdsman Scholarship.

*“Receiving the scholarship has allowed me to travel to the United States and learn from some of the best beef cattle operations in the world.”*

### Cindy Martin

Is a second year student from the Eyre Peninsula studying a Bachelor of Agriculture at the University of Adelaide, Roseworthy Campus. Cindy said by receiving the Royal Agricultural and Horticultural Education Foundation of SA Roseworthy Scholarship she was able to focus on her studies rather than having to focus on working to support herself.

*“This scholarship has given me the opportunity to undergo my degree and gain as much knowledge as possible. I hope to return this knowledge to rural communities through working as an agronomist,” said Cindy.*
